

Please contact Naturally Contemporary for a quote for your Water Feature or Water Wall. The Water Features are priced as follows when ordered with the same materials and dimensions as those in the WaterWallCalm Gallery. We would be happy to customize your Water Feature with both dimensions and materials if you call or send an email with specific requests.

Water Features at WaterWallCalm.com

Based on \$100/SF for Wet Surfaces and \$50/SF for Dry Surfaces

- Flooded Mesa (Single Tower).....\$650
- Cascading Spring (Double Tower).....\$900
- Alpine Shower (Sprinkling Water).....\$500
- Glacial Falls (Trough-type Water Feature).....\$550
- Rocky Dam (Travertine with Glass Accents)...\$600
- Three Sisters (Trio of Slate Water Towers).....\$2800

Water Walls

Water Walls are based on the following square footage prices for Wet and Dry Surfaces. Note that the complexity of the larger walls and installation costs are reflected in a higher square footage cost when compared to the above smaller features.

\$150/SF for Wet Surfaces and \$75/SF for Dry Surfaces)

We look forward to working with you on a Water Feature design that helps you *Feel the Calm.*

Thank you,
Naturally Contemporary
